

LIGHTS. PRECISION. SAFETY

A large, stylized graphic of a light beam or lens flare. It consists of numerous overlapping circles of varying sizes and opacities, radiating from a central point in the upper right quadrant, creating a sense of depth and light dispersion. The circles are set against a background of a fine, light blue dot grid.

LIGHTS. PRECISION. SAFETY

Dear valued customers,

The new 2018 edition of TYC Europe lighting and mirror catalogue, contains 500 + new items of all type automotive lamps, lighting accessories and door mirrors when compared to the 2017 edition. Each year, we incorporate reliable and well-known third parties research results into our item studies in order to introduce new items that meet the expectations of the diverse demands in European market.

In addition, you will also find data updates of a few existing TYC items. Nevertheless, our new items information and product data updates can be found easily on our website in our E-catalogue. The benefit of this on-line tool is that you get real-time updates about our products.

Over the years, we have differentiated ourselves from other lighting independent aftermarket manufacturers by demanding higher product quality standards. Our advantage is that we apply OE manufacturing testing equipment and standards for all of our new products as we are also OE lighting manufacturer for several car, truck and motorcycle.. Furthermore, all TYC products are ECE certified.

We thank you for your interest in TYC products. We are confident that our customers are able to have business prosperity by carrying TYC products.

Best Regards,
Angie Wu
Managing Director

TYC Europe is the European headquarter of TYC Brother Industrial Corporation.

We serve as a sales, marketing and logistic center that covers 33 countries throughout Europe. It is also a logistic hub for TYC OE customers in Europe.

We have a team of multilingual capabilities to service most of our customers in their own languages. As a manufacturer, we are able to deliver the goods with high fill rate and we are flexible in providing customized shipments according to the needs of our customers.
